

ENVIRONMENTAL POLICY (ÇY-11)

Purpose and Scope

Purpose

Kuray Stand Marketing and Industrial Trade Ltd. Co. is committed to minimizing environmental impacts in all its activities, using natural resources efficiently, contributing to the fight against climate change, and adopting a sustainable production approach.

Scope and Application

This policy covers all activities carried out by our company in Turkey and internationally, including design, wood-based production, logistics, exhibition stand installation, and after-sales services. It also binds all employees, managers, suppliers, and contractors.

Alignment with UN Sustainable Development Goals (SDGs)

This policy supports the following UN SDGs:

- SDG 6 Clean Water and Sanitation
- SDG 7 Affordable and Clean Energy
- SDG 12 Responsible Consumption and Production
- SDG 13 Climate Action
- SDG 15 Life on Land

Responsibilities

The Sustainability Officer and the Production Manager are responsible for implementing this policy. All employees are obliged to contribute to achieving environmental objectives.

Commitments

Key commitments include compliance with environmental legislation, FSC/PEFC certification, reducing energy consumption by 15% by 2026, achieving carbon neutrality by 2030, ensuring 80% certified wood usage, waste reduction, water saving, and employee training.

Review

This policy and commitments are evaluated annually during Management Review meetings. Goals are updated and communicated to employees and stakeholders.
